NEW YORK, NY --- In less than three years, the New York-based law firm of Brady Klein Weissman has doubled its corporate headquarters to 15,000 square feet and now occupies the entire 19th floor at 501 Fifth Avenue as a result of an expansion move negotiated by the Vortex Group, LLC.

Aggregate value for the long-term lease is in excess of \$2.6 million, says Scott Keith Grayson, who represented the firm in conjunction with fellow principals Frederick Kane Marek.

Known as a young, dynamic practice using a problem-solving approach, Brady Klein Weissman maintains offices in New York and Los Angeles to serve clients in areas as diverse as real estate, trusts and estates, arts and entertainment, employment and corporate law. Founded in 1998, the firm's "continued growth indicates once again the importance of law firms in the Spring 2004 leasing market," says Grayson.
